

# INSTRUCTION SHEET (x)

2003-Current F-150

Dear Customer,

As we are unable to physically assist you in your install, here are some simple instructions. Release center seat belt from female side at the center of the seat. Seat bottoms 60/40 go on really easy the back rest portion of the Seat Cover is a little more difficult but can be easily done.

Tools you will need: (Dull butter knife), (10mm socket w/small extension), and patients.

**Step 1**

Please refer to instruction sheet F for headrest removal.

Plastic lid will come off and you will see (2) 10mm nuts.

With a 10mm socket remove both 10mm nuts and remove plastic tower.

Place a butter knife between plastic lid and seatbelt tower from this location.

**Step 2**

Next lift backrest straight up and install Seat Cover. Make sure plastic clips are all the way up when reinstalling back rest.
