Dear Customer

As we are unable to assist you in installing your Wet Okole Hi. Water proof sport seat cover we Offer these special instructions for each individual vehicle. On most years 1995-2002 you have to remove Nuts from armrest mount install rest covers then cut small holes with a fingernail scissors or exactor knife And put nuts back on. Hummer Rear Seats must be removed to put covers on as the seat is too close to Bulkhead for covers to be installed with seat left in.
